[Documentation](#)

Documentation

You will find the documentation [here](#). You can keep up to date with the latest news on XWiki on the [XWiki Blog](#).

You will find the current administration functions [here](#)

Support

Don?t hesitate to contact the [technical support](#) to tell us about any problems or even with your comments about the service. You might find some things that you thing are wrong or that you don't understand. We **NEED** to know about it, otherwise we can't make the service better. Please do contact us ! However do make sure you have looked at the [documentation](#) before that.

Where to start

You can start by modifying this page by clicking on the "Edit" button in the action bar on the right (for this you need to be logged-in). Before editing a page, check out the documentation about the [XWiki syntax](#)

Searching

If you search for documents in your wiki, use the [search page](#).
